Three groups of supervisors in the Office of the Comptroller, DD/A, are being scheduled for participation in the 4 1/2-hour initial phase of the Human Resources Program during the weeks of 21-25 June, 28 June-2 July, and 12-16 July. 7. On 7 June students of the present BIC(I) were briefed at the Pentagon on the military capabilities of the USSR. Briefings were presented primarily by officers of the Air Force Directorate of Intelligence, assisted by G-2 Army Officers.

8. Because administration of the Security examination in BIC(I) has revealed the need for further indoctrination of students, instructors will institute seminars in the course to make sure the students have the necessary information. Meanwhile, the course instructors will take the examination themselves and be thoroughly briefed by the training officer from the Office of Security on the principles covered by the examination.

9. Three psychologists from the Assessment and Evaluation Staff are attending the International Congress of Psychology in Montreal, Canada.
